

MOST WANTED

WEBMASTER & SEO SPECIALIST

Who are we?

sunglasscurator.com is the ultimate online destination fully dedicated to independent luxury eyewear designers. Through our concept store, we make it our mission to deliver hard-to-find eyewear pieces that offer the perfect mix between superior craftsmanship, technical innovation and original creativity.

What do we need?

Part-time WEBMASTER Specialist

(Debug issues that arise with the performance of the website, interface for performance issues, troubleshoot the site, review statistics and monitor analytics, maintain an inventory of ads and manage the ad server software)

Part-Time SEO Specialist

(Create well-organized plans and analysis for online campaigns, keyword research and planning, backlinks building, Google Trends, Google AdWords, Affiliates, familiarity with the best tools in the industry)
