Who organizes the Leadership Summer School?

The Alumni Association of the Rochus und Beatrice Mummert-Foundation: professionals from Central and South-East Europe. All of the alumni members are former holders of the Mummert-Foundation scholarship, which enabled them to study in Germany. The aim of our international network is to use our knowledge, experience and contacts to strengthen the social development, competitiveness and cultural exchange in our region. We also want to motivate other young people to do the same thing - be the future of YOUR country!

Who are the trainers and lecturers of the Leadership Summer School?

Professionals include but are not limited to trainers of German consulting firms. You will also meet first-class managers from some of the most successful companies. They will give you an insight into their real-world knowledge and share hands-on experiences from their business careers by walking through case studies. Besides the lectures, the fireside evenings provide unique opportunities to meet professionals in a relaxed atmosphere.
