LEARN ABOUT SUMMER INTERNSHIP AT TIMKEN

TIMKEN

...Are you a student at University Politehnica of Bucharest?

...Are you enthusiastic, motivated and eager to learn and to build a career in a multinational company?

Join us as we build the future together

You have now the opportunity to learn directly from specialists and win your chance to work in a company where you can make your mark because it is a company that makes a difference ... in technology, industry and the communities where our associates live and work.

Benefits of choosing internship in TIMKEN

Undertaking an internship at TIMKEN is a unique opportunity to gain valuable experience and get an inside look to know the company culture and how this fits with your personality.

What to expect from your internship:

- A chance to work with perspective in a continuously growing multinational company;
- The opportunity to work & learn in a team with professionals who are experts in the field;
- To gain real job experience and receive on-the-job training that focuses on our technologies and methodologies;
- Flexible schedule.

Interns who receive good assessments could be offered full time employment with Timken.

What do we expect?

- Students after second year of studies;
- Preferable faculties: Mechanical Engineering, Economical Engineering, IT/Automatics;
- Computer literacy (Word, Excel, Internet), AutoCAD, ProE, UG – represent a plus;
- Proficiency in English;
- Ability to work in a team environment, proactive and hardworking approach.

We are looking for talented, communicative, flexible and creative young people, who want to move ahead and are looking for challenging work.

If you are interested to apply for a summer internship, please send your CV and an Intention letter (mentioning: 'Summer Internship') to: Human Resources Department, in attention of Antonica Mihalascu.

E-mail: antonica.mihalascu@timken.com

Deadline for submitting your application: 30th April 2014.

Only suitable students will be contacted.

Stronger. Commitment. Stronger. Value. Stronger. Worldwide. Stronger. Together. | Stronger. By Design.
